Doug, it looks like we settled on November 17th in the afternoon.

Did you get a chance to take a look at the draft agenda and briefing document? Of course the times will be adjusted based upon our recent change.

Any suggested edits?

Also, have you shared this with any of your staff?

I know they would be interested in helping out but didn't want to share it with them until you said ok. I would usually have shared it with Gerard Bulanowski and Anthony DeLoach. They are our PPA contacts and have played a role in the past helping gather information for meetings like this one.

Of course your call. Just let me know your thoughts and I'll proceed accordingly.

Thanks.
